Salsbury Industries provides commercial mailboxes for both U.S. Postal Service access and private access. The following symbols will assist you in selecting the appropriate products.

Choose products with this symbol when mailbox is to be accessed by the U.S. Postal Service. Complying with postal specifications, these products are designed to accept a master postal lock which is issued and installed by your local postal authorities.

Choose products with this symbol when mailbox is not to be accessed by the U.S. Postal Service. Manufactured with quality materials, these products are ideal for private postal centers, government agencies, corporate mailrooms, colleges and schools, banks, military bases and many other applications.
